

Sunshine Patriots?

Our beloved nation has been betrayed. Our freedoms have been stripped away, our Constitution overthrown, our Sovereignty trampled underfoot. Republicans and Democrats have colluded with foreign interests, one-worlders, and big government to destroy our Constitutional Republic.

Will you fight for America? When the sun shines, everyone's a patriot. But when the clouds of discomfort and sacrifice darken the sky, only the brave who really love their country stay and fight. Just staying informed or reading the right books doesn't help. Complaining won't change anything. Victory requires organized, political action. Winning Elections is the only Real Victory.

The America First Party is fighting for America.

The America First Party is providing the organization, leadership, and action to win. As an army of Patriots organizing in 41 states already, we have sworn unending opposition against all who would destroy our country. We fight for the restoration of our Nation's founding principles -- Faith, Freedom, and the Constitution.

Enlist Now in the fight for America! Join the America First Party to participate in this nation-wide Patriotic campaign to take America back from the Democrat and Republican sellout. Working together, we can overcome every obstacle, to ensure ...

Our beloved Nation restored and forever Free! Our borders protected ~ illegal immigration ended ~ American jobs saved ~ Innocent life protected ~ Our corrupt political system cleaned up ~ Our sovereignty restored ~ An America First foreign policy pursued ~ The right to bear arms secured ~ State's rights promoted ~ Education controlled by parents ~ Equal justice under Law restored!
