

About the
**AMERICA
FIRST PARTY**

The America First Party was founded on April 15, 2002. The central focus of the party is to put America and all Americans First. We will elect candidates who will restore morality, ethics, and common sense to public service. We will return our Constitution to its proper place in our Republic.

The fact is our country is in trouble. When you look at what the Republicans and Democrats are doing with the power we have given them (or that they have *taken for themselves*), a sad truth becomes obvious—they do not know or do not care what is best for our country.

Republicans and Democrats have lied to us. It is abundantly clear that they have abandoned the wisdom of our nation's Founders. They don't have a clue how to put America First.

Our prescription for America is to elect citizens who not only *say* the right things, but actually *do* them. We must restore trust in America by electing leaders who will obey the Constitution and do what is right.

It is time to put America First. We are building a grass roots party and our guide is the best owner's manual in existence—the United States Constitution. We urge you to join us and get involved.

All is not yet lost, but time grows short. The America First Party is committed to reclaiming our great nation. *Get involved now!*

Help us take our Country back!

**Why YOU Should
JOIN US NOW!**

With the right message at the right time in our Nation's history, the America First Party is attracting unprecedented numbers of people from all walks of life from all across the Nation.

History has proven repeatedly that "the few" are always responsible for initiating great changes. For example, only a handful of committed people initiated the changes that resulted in the founding of this great country.

Can you make a difference? The answer is emphatically, **YES!** *Should you?* **YES!**

There is great personal satisfaction when you commit yourself to working for that which is noble and just, rather than meandering through life complaining while others decide your fate. Freedom is truly not free. It must be earned.

Don't wait. Now is the time to take action.

Contact the America First Party in your state. Join us in this historic endeavor to take back our country and restore sanity to local, state and national governments. Do it for yourself. Do it for the future generations, your children and grandchildren.

AMERICA FIRST PARTY

Mission Statement &

PRINCIPLES

adopted by unanimous vote of the America First National Committee, April 20, 2002

We, the members of the America First Party, pledge ourselves to restore and revitalize the great American Experiment for the benefit of our nation and all its people.

We commit ourselves to elect honest people to public office who adhere to principles based on the wisdom of the Founders and expressed in the United States Constitution and our party platform.

We hold to the steadfast beliefs that the means to revitalizing our nation is to revitalize our people and the means to restore our nation is to restore just and Constitutional governance. To this end, we obligate our party:

To Preserve and Protect Our People and Our Sovereignty

- Support a military whose mission is to protect our nation, not police the world
- Strengthen our borders and promote rational immigration policies
- Protect English as our common language
- Seek friendship with all nations, but avoid entangling alliances
- Work to maintain our nation's sovereignty and oppose all attempts to make our nation subservient to the precursors of global government
- Apply American values to our foreign policy

To Promote Economic Growth and Independence

- Restore accountability and Constitutionality to budgets and taxes
- Promote tax policies that adhere to the Constitution, enhance individual freedom, encourage savings and investment, and promote the family
- Eliminate unconstitutional portions of the federal government
- Rebuild our manufacturing base and protect American workers
- Protect our right to fair trade and oppose free trade, exit NAFTA and the WTO
- Help American businesses stay in America
- Promote a Buy American policy
- End taxpayer bailouts of corporations and foreign governments
- Implement a self-sufficient energy policy

To Encourage the Traditional Values of Faith, Family, and Responsibility

- Protect and recognize the sanctity of all human life
- Defend the traditional family unit based on one man and one woman
- Promote the primacy of parents in the lives and education of their children
- Respect the free exercise of religion
- Recognize the Judeo-Christian heritage of our shared values

To Ensure Equality Before the Law in Protecting Those Rights Granted by the Creator

- Defend the self-evident truth "that all men are created equal, that they are endowed by their Creator with certain unalienable rights,

that among these are life, liberty and the pursuit of happiness"

- Preserve and protect all of the Bill of Rights
- Oppose all quota systems. Merit and behavior must prevail
- End judicial tyranny and restore balance to our political system
- Restore property rights and restrict government land confiscation

To Clean Up Our Corrupted Political System

- Remove the primary source of corruption by sharply reducing the size and scope of the federal government to its limited powers under the Constitution, and return control over all other matters to the states
- Require that all political donations be promptly disclosed and come from voters
- Enforce fair, uniform standards for ballot and debate access to give voters more choice
- Implement clean election practices - restore paper ballots
- Reform the lobbying system so that the only organizations permitted to lobby are those organizations whose money is acquired strictly from voter donations. Reasonable individual voter donation amount limits must be established
- End lavish Congressional pensions - put them on Social Security
- Ban taxpayer funded Congressional campaign mailings
- Restore the rights of states in the manner of choosing Senators and Representatives and promote the citizen legislator
